

## Call For Best Paper Awards

If you are interested in having your paper evaluated for a Best Paper Award, please upload the latest version of your paper on the conference website. Please also send an email to the Program Chair, by **15 January 2008**, indicating that you want your paper, title of paper included, considered for a Best Paper Award. Ensure that you also clearly specify one single track in which you want your paper to be considered for a Best Paper Award. The tracks in which prizes will be awarded are

- **CORPORATE FINANCE**
- **FIXED INCOME**
- **BANKING AND FINANCIAL INSTITUTIONS**
- **INVESTMENTS**
- **DERIVATIVES**
- **INTERNATIONAL FINANCE**
- **ASSET PRICING THEORY AND RISK MEASURES**
- **MARKET MICROSTRUCTURE**

Please note that these awards will be made only if, in the opinion of the MFA Awards Committee, a paper warrants such a decision. The decisions of the MFA Awards Committee are final. All awards will be handed out at the Gentry Breakfast meeting on 1 March 2008.

Yours truly,

Lloyd P. Blenman  
2008 Program Chair
