

### River Walk Boat Ride

A visit to San Antonio is incomplete if you do not experience the River Walk boat ride. All attendees will be given a complimentary boat ride ticket (two if you register with a guest) for use anytime during your stay in San Antonio. The weather in San Antonio in February is typically in the 60's and low 70's, good weather for sightseeing. We will also have for you, upon your arrival at the conference hotel, information packages on other tours that you can explore, on your own.
