

27 February- 1 March 2008

Marriott River Center San Antonio, Texas

The Midwest Finance Association and the Program Chair wish to acknowledge and express their gratitude to all the donors, sponsors and supporters who have helped us to put together a great program. This would definitely not have been possible without the commitment and belief of several organizations, universities and individuals. Among those that have made tremendous contributions, we mention the following:

- Dean's Office, The Belk College of Business
University of North Carolina-Charlotte
- Department of Finance, The Belk College of Business
University of North Carolina-Charlotte
- Chicago Mercantile Exchange
- Federal Reserve Bank of Chicago
- Federal Reserve Bank of Cleveland
- Key Bank Corporation
- US Global Investors' Funds
- Professional Risk Management International Association (PRMIA)
- Institutional Investors
- Standard & Poors (S&P)
- Moodys
- New York Stock Exchange (NYSE)
- Center For Research In Security Prices (CRISP)
- Eventus
- Wharton Research Data Services (WRDS)
- Journal of Fixed Income
- Journal of Financial Services Research
- Review of Futures Market
- Research In International Business and Finance
- Journal of Business and Entrepreneurship
- Northern Illinois University
- Creighton University
- Grand Valley State University
- SmartDraw

- **Equipment Leasing and Finance Association**
- **Creighton University**
- **Southeastern Oklahoma State University**
- **Grand Valley State University**
- **Conference Service**
- **Kaufman Foundation**
- **American Finance Association**
- **Financial Management Association**
- **American Journal of Business**
- **University of Iowa**
- **Texas A&M International**
- **University of Michigan-Flint**
- **University of Texas-San Antonio**
- **Oxford University Press**
- **McGraw Hill**
- **Federal Reserve Bank of Dallas**
- **Journal of Trading**
- **Quarterly Journal of Finance and Accounting**

I extend a hearty thank you to the program committee members, discussants, reviewers whose support was invaluable and very critical. They donated their time, energy and professional expertise in helping select the best papers and organized the sessions. I also would be remiss if I did not express a great debt of gratitude to the Track Chairs, my VPs-Local Arrangements and all the members of the Executive Program Committee, who were unstinting in their dedication, support and commitment to help the Midwest Finance Association.

Lloyd P. Blenman

**First Vice President and 2008 Program Chair
Midwest Finance Association**

and

**Professor of Finance
The Belk College of Business
University of North Carolina-Charlotte
Department of Finance
Charlotte, NC 28223-0001**
